Dear Meg:

Thank you and your team for providing us with the CAO's Assessment regarding local concerns in relation to Undai River diversion and the Oyu Tolgoi project (IFC Investment No. 29007, MIGA Investment No. 7041) in Mongolia.

Having followed the assessment process closely, we are pleased to hear that the complainants and Oyu Tolgoi have agreed to continue working with you and your team to try to resolve the issues using a collaborative approach under a dispute resolution process.

As you are aware, the IFC and MIGA project teams have been actively collaborating with the CAO team throughout this process and providing feedback, as necessary. Over the past few months, we have volunteered all the necessary information about the project and have made the project team available for meetings with your team.

We look forward to a satisfactory dispute resolution process for all parties under your auspices. The IFC and MIGA project teams remain at your full disposal, as required.

Sincerely,
