

Joint Statement by LOLC and the Complainants

This is a joint statement between LOLC, and the Complainants related to IFC's indirect investments with LOLC through their financial relationship with MIFA (IFC project number #31467). The complaint was marked as "Cambodia MIFA Debt Fund Amret MFI Equity 13".

As a result of the voluntary dispute resolution engagement the parties signed a final and full settlement agreement on 16 December 2025, and CAO's mediation team monitored the implementation of the settlement agreement until the end of June 2026.

Both parties expressed their mutual satisfaction with the outcomes of the dispute resolution process, and the progress of the agreement implementation. They mutually agreed to conclude the CAO's monitoring. While CAO's involvement in monitoring the settlement agreement has concluded, both parties affirmed their commitment to continue implementing the agreement in good faith throughout the remainder of its term.
