

Joint Statement by LOLC and the Complainant

This is a joint statement between LOLC, and the Complainant related to IFC's indirect investments with LOLC through their financial relationship with MIFA (IFC project number #31467). The complaint was marked as "Cambodia MEF and MIFA Debt Fund 04".

As a result of the voluntary dispute resolution engagement the parties signed a final and full settlement agreement on 4 December 2024, and CAO's mediation team monitored the implementation of the settlement agreement until December 2025.

Both parties expressed their mutual satisfaction with the outcomes of the dispute resolution process, and the progress of the agreement implementation. They mutually agreed to conclude the CAO's monitoring. While CAO's involvement in monitoring the settlement agreement has concluded, both parties affirmed their commitment to continue implementing the agreement in good faith throughout the remainder of its term.

Note: The remaining issues in case "Cambodia MEF and MIFA Debt Fund 04" related to IFC's sub client, Prasac, will be addressed separately, and will remain in the CAO's dispute resolution monitoring.
