CAO Assessment Report regarding the Cambodia Airports project

Dear Ms. Taylor,

IFC would like to thank you and your team for providing us with the CAO's Assessment Report regarding resettlement concerns in relation to the Cambodia Airports project (IFC Project # 21363). We are pleased that the complainants and SCA have agreed to work with the CAO to try to resolve the issues using a collaborative dispute resolution process.

As you are aware, the IFC project team has been actively collaborating with the CAO team and providing support, as necessary. Over the past months, we have volunteered the necessary information about the project and have made the project team available for meetings with your team. We look forward to a satisfactory resolution for all parties under your auspices. The IFC project team remains at your full disposal.

Sincerely,

Anita Marangoly George
